Christopher A. LaVoy (016609) 1 Hamid Jabbar (026025) TIFFAN Y & BOSCO 2 THIRD FLOOR CAMELBACK ESPLANADE II 3 2525 EAST CAMELBACK ROAD PHOENIX, ARIZONA 85016-4237 4 TELEPHONE: (602) 255-6000 FACSIMILE: (602) 255-0103 E-Mail: cal@tblaw.com 5 Attorneys for Plaintiffs 6 SUPERIOR COURT OF ARIZONA 7 MARICOPA COUNTY 8 9 Planned Parenthood Arizona, Inc.; William Case No. 10 Richardson, M.D.; and William H. Richardson, M.D., P.C., doing business as 11 Tucson Women's Center, COMPLAINT 12 Plaintiffs, VS. 13 14 Will Humble, Director of the Arizona Department of Health Services, in his 15 official capacity, 16 Defendant. 17 For their Complaint, Plaintiffs Planned Parenthood Arizona, Inc. ("PPAZ"), 18 William Richardson, M.D., and William Richardson, M.D., P.C. allege as follows: 19 **Overview of Action** 20 1. Arizona health care providers, on behalf of themselves and their patients, 21 bring this action to have declared invalid and enjoined a portion of Arizona House Bill 22 2036 of 2012 ("HB 2036"), Section 2, codified at A.R.S. § 36-449.03(E)(6) ("the Statute") 23 and the regulation implementing this section, A.A.C. R9-10-1508(G) ("the Regulation"), 24 because, first, the Statute and Regulation represent an unconstitutional delegation of 25 legislative authority and, second, the Arizona Department of Health Services ("ADHS") 26

promulgated the Regulation without following the required notice-and-comment procedures.

2. The Statute and Regulation restrict how physicians may perform medication abortion, a non-surgical alternative that allows women to end an early pregnancy safely with the use of medication alone, avoiding the need for a surgical procedure. Nearly half of all women in Arizona who terminate a pregnancy in the first nine weeks choose medication abortion. Medication abortion involves the use of two medications: misoprostol and mifepristone, also known by its trade name Mifeprex.

## The Parties and Standing

- 3. Plaintiff PPAZ is a not-for-profit corporation organized under the laws of Arizona and is the largest provider of reproductive health services in Arizona, operating health centers throughout the state and providing a broad range of reproductive and sexual health services, including cervical cancer screening, breast exams, testing and treatment for sexually transmitted infections, contraception, and surgical and medication abortion.
- 4. PPAZ has been providing medication abortions since 2001. It currently provides medication abortion through 63 days or nine weeks of pregnancy, measured from the first day of a woman's last menstrual period (LMP), using an evidence-based regimen that has been recommended by the American Medical Association ("AMA") and the American College of Obstetricians and Gynecologists ("ACOG") and that differs from the regimen that appears on the Mifeprex label. PPAZ currently provides medication abortions at four centers: Glendale Health Center, Margaret Sanger Health Center (in Tucson), Tempe Health Center, and Flagstaff Health Center (which provides only medication abortion). In 2013, PPAZ provided medication abortions to 2511 patients; 38 percent of eligible patients chose this procedure. PPAZ brings this action on

behalf of itself, its patients, and the physicians it employs to provide services to its patients.

- 5. Plaintiff William Richardson, M.D., is a licensed, board-certified obstetrician-gynecologist in Tucson. He is the sole owner and director of Tucson Women's Center. Dr. Richardson provides comprehensive family planning and women's health services to over a thousand patients each year, from throughout southern Arizona and beyond, including pregnancy testing, prenatal care, contraception, prenatal ultrasounds, pregnancy options counseling, gynecological care, and surgical and medication abortions.
- 6. Dr. Richardson provides abortion services to about 900 women per year, nearly half of whom choose medication abortion. He opened Tucson Women's Center in 1999 and has been offering his patients medication abortion since 2001. He currently provides medication abortion using an evidence-based regimen through 63 days LMP that is recommended by the AMA and ACOG and that differs from the regimen that appears on the Mifeprex label. Dr. Richardson brings this action on behalf of himself and his patients.
- 7. Plaintiff William Richardson, M.D., P.C. is a professional corporation organized under the laws of Arizona and doing business as Tucson Women's Center; this is the legal entity through which Dr. Richardson engages in the practice of medicine.
- 8. Defendant Will Humble is the Director of the ADHS. ADHS promulgated HB 2036's implementing regulations, and has the authority to enforce the Regulation.

  Defendant Humble is sued in his official capacity.

# Jurisdiction and Venue

9. The Superior Court of Arizona has subject matter jurisdiction pursuant to Article 6, Section 14 of the Arizona Constitution.

10. Venue is proper in Maricopa County pursuant to A.R.S. § 12-401(16).

### Factual Background

- 11. On April 10, 2012, the Arizona Legislature passed HB 2036, and on April 12, 2012, Governor Brewer signed it into law. Section 2 of that law, which is the Statute, mandates that the Director of ADHS adopt rules requiring "[t]hat any medication, drug or other substance used to induce an abortion is administered in compliance with the protocol that is authorized by the United States Food and Drug Administration [("FDA")] and that is outlined in the final printing labeling [("FPL")] instructions for that medication, drug or substance." HB 2036 § 2, codified at A.R.S. § 36-449.03(E)(6).
- 12. Section 10 of HB 2036 states "[f]or the purposes of this act, the department of health services is exempt from the rule making requirements of title 41, chapter 6, Arizona Revised Statutes, for two years after the effective date of this act."
- 13. ADHS maintains a website entitled "Office of Administrative Counsel & Rules: Rulemaking Process" that establishes an "Exempt Rulemaking Process" for "[r]ules [that] are exempt from the rulemaking requirements in A.R.S § Title 41, Chapter 6... if authorized by a specific statute."
- 14. This "Exempt Rulemaking Process" process requires ADHS, after initially proposing the rules, to receive comments and make revisions three times, including (during the first iteration) by meeting with affected and interested persons.
- 15. On November 21, 2013, pursuant to the legislative mandate in Section 2 of the Act, ADHS posted "Draft Rules Issued for Abortion Clinics" online, and on November 29, 2013, the Secretary of State published a Notice of Public Information in

<sup>&</sup>lt;sup>1</sup> HB 2036 requires ADHS to make numerous other rule changes as well – these are rule changes not directly "relating to the abortion procedure." HB 2036 § 2, codified at A.R.S. § 36-449.03(E).

the Arizona Administrative Register. The Online Survey was open for comments until December 19, 2013.

- 16. On January 27, 2014, without providing the additional opportunities for comment that its own policy requires, and without any public meetings, ADHS promulgated HB 2036's implementing regulations.
- 17. Among the implementing regulations is the Regulation, which requires the medical director of a facility licensed as an abortion clinic to "ensure that any medication, drug or other substance used to induce an abortion is administered in compliance with the protocol that is authorized by the United States Food and Drug Administration and that is outlined in the final printing labeling instructions for that medication, drug or substance." The implementing regulation's effective date was April 1, 2014.
- 18. Any clinic that fails to comply with these requirements is subject to a civil penalty, license suspension or revocation, or other enforcement actions by ADHS. A.A.C. § R9-10-1515.
- 19. The content of a drug's FPL is written by a drug's manufacturer and subject to approval by the FDA. At no point is its content subject to review or approval by the Arizona legislature or ADHS.

#### **COUNT I**

#### Non-Delegation

- 20. Plaintiffs hereby reaffirm and re-allege each and every allegation made in paragraphs 1-19 above as if set forth fully herein.
- 21. This claim is brought pursuant to the Uniform Declaratory Judgment Act, codified at A.R.S. §§ 12-1831 through 12-1846.
- 22. The Statute and Regulation define a *state* standard of conduct by reference to an external *federal/private-sector* standard, specifically the "protocol" for a drug (*i.e.*,

the instructions for use) written by a drug company, approved by the FDA, and appearing on a drug's FPL. That federal standard is not fixed, *but* could change if the manufacturer asks the FDA for, and it approves, changes to the "protocol."

23. The Court should declare that the Statute and Regulation unconstitutionally delegate legislative authority for the regulation of medication abortions in Arizona to the FDA and to drug companies, and permanently enjoin Defendant, and his employees, agents, and successors in office from enforcing them.

#### **COUNT II**

#### Administrative Law

- 24. Plaintiffs hereby reaffirm and re-allege each and every allegation made in paragraphs 1-23 above as if set forth fully herein.
- 25. This claim is brought pursuant to the Uniform Declaratory Judgment Act, codified at A.R.S. §§ 12-1831 through 12-1846.
- 26. While HB 2036's implementing regulations were exempt from the rulemaking requirements in Title 41, Chapter 6, Arizona Revised Statutes, they were still subject to ADHS's internal procedures for exempt rulemaking. These procedures are published on the ADHS website and require multiple postings of the draft rules for comment, that ADHS meet with interested persons, and that it take their comments into consideration.
- 27. ADHS did not follow these procedures when promulgating HB 2036's implementing regulations.
- 28. The Court should therefore declare the Statute and Regulation unlawful and permanently enjoin Defendant, and his employees, agents, and successors in office from enforcing them.

WHEREFORE, Plaintiffs pray for judgment against Defendant as follows:

- A. For a declaratory judgment that the Statute and Regulation are unlawful and/or unconstitutional and unenforceable;
- B. For a temporary restraining order, preliminary injunction, and/or permanent injunction restraining Defendant, and his employees, agents, and successors in office from enforcing each and every statute and/or regulation declared unlawful and/or unconstitutional.
- C. For an award of Plaintiffs' reasonable attorneys' fees pursuant to the private attorney general doctrine;
- D. For an award of Plaintiffs' costs pursuant to A.R.S. § 12-341.01; and
- E. For such other relief as the Court deems just and equitable.

  RESPECTFULLY SUBMITTED this 7th day of April, 2014.
